

Need For Highway On West Shore Is Shown By Scribe

By Henry C. MacArthur
SACRAMENTO — (CNS) — For the past several years, this writer has followed a policy of staying home on Fourth of July weekends, thereby avoiding traffic, heat and inconvenience by the score.

However, circumstances necessitated a jaunt to Lake Tahoe the weekend before the Fourth this year, and one could not help but observe the inadequacies that exist in a state mushrooming with population and with people on the go seeking some kind of outdoor pleasure for a vacation from the ordinary routines of life and business.

A drive through D. L. Bliss State Park, which has been mentioned a good many times in this column over the past ten years, marked the laxity of the state in providing more places to camp for a demanding public.

Inside the park, the campgrounds were filled to capacity, and the people were enjoying one of the loveliest camps of the whole state park system.

Cars Turned Back
However, at the entrance gate, there was another story. Automobiles by the dozens were being turned away, because there was no room in established camps inside the 900 acre park. Yet there is room to spare for campgrounds, undeveloped because there is not enough money to go round.

The division of beaches and parks does not allow camping (Continued on Page 8)

Report Shows Tax Rate May Increase

NEVADA CITY—County Assessor Charles Kitts reported assessed valuations of secured and unsecured property in Nevada County have increased \$1,864,050 or 7.02 per cent over that of the current figure.

The total valuation of \$28,411,220 and the increase over the figure for the last fiscal year are records for the county.

The effect of the increased roll submitted by Kitts on the basic county tax rate will not be known until the 1961-62 budget has been approved in August and the new tax rate is set.

County Auditor John T. Trauner used an anticipated increase of \$1 million on the assessment roll in drawing up a new budget of \$3,601,019. The new tax rate at this figure would be \$2.20, a jump of 12 cents per \$100 assessed valuation. The additional \$864,050 on the tax roll, therefore, conceivably could cut the anticipated tax rate increase.

80 ATTEND WOMENS MEETING AT SQUAW

TAHOE CITY — The Women's Club of Tahoe hosted the summer conference of the Federated Women's Club, Sutter District, on June 27, at Squaw Valley in the Olympic Village.

Around 80 guests were present with representation from the bay area, Placerville and the Sacramento and Auburn areas.

District President Mrs. George Alexander of North Sacramento presided over a program of speakers and workshops. After adjournment a guided tour of Squaw Valley was much enjoyed by the group.

Donner Utility Will Vote On Bonds In Tuesday's Election

Some 60 voters of the Donner Summit Public Utility District will go to the polls Tuesday, July 11 to decide whether or not a bond issue shall be passed to provide a more adequate and better water supply for the district.

Clyde Burkey, of Donner Summit Lodge, clerk of the board, said the \$70,000 bonds, if approved at the election Tuesday, will provide a new source of water from Lake Angela, replacing the Lake Mary supply which is held inadequate for the fast growing district.

The water from Lake Mary also, Burkey said, is causing rapid deterioration of the mains because of a surplus of acids, iron and sulphur in the water.

The assessed valuation of the district is \$660,000, Burkey said.

The bonds would be issued in \$1,000 denomination and will be paid off in 25 years under the plans of the directors of the district.

The polls will be at Donner Summit Lodge and will be open from 7 a. m. until 7 p. m. The election board comprises George Gangler, Eleanor Johanson and Mildred J. Coltrin.

Reno Driver Leads Stock Car Racers

Last Saturday night before a turn-away crowd of over 1,000 fans, Bob Baker of Reno sped to his second main event victory of the 1961 Reno Stock Car race season.

Three times winner Harry Causey of Truckee found the tricky course to his dislike as he spun out while making his bid for the lead in the main event. After regaining control of his mount, Causey raced to a ninth place finish. Causey won the fourth heat and a fast trophy dash to retain top spot in the point standings by a mere two points over Baker.

George Davis of Truckee through a fine fifth place finish in the main event and a tie for third in the fourth heat, again advanced one spot to 11th in the standings. Ron Gautsche, after posting the second fastest time trial lap, developed car trouble and could do no better than 13th place in the main.

Red Harris racked up a second place in both the third heat and a fast trophy dash. He blew a tire in the first lap of the main event and was forced to drop out.

COUPLE MARRIED AT CHURCH IN SQUAW

Father P. J. O'Neill of the Tahoe Truckee parish, officiated at the double ring wedding ceremony which united Miss Bada Jak Jackson and L. James Bell at the Queen of the Snows Catholic Church in Squaw Valley last month.

Mrs. Bell is the daughter of Mr. and Mrs. John G. Jackson of Sparks, Nevada and Bell is the son Mr. and Mrs. N. Darl Voss of Reno. The newlyweds received their relatives and friends after the wedding at the Squaw Valley home of Mr. and Mrs. Voss.

Mr. and Mrs. Bell are residing in Berkeley.

LIGHT RAIN DAMPENS AREA NEAR TRUCKEE

The 26 of an inch of rain which fell Monday morning and the subsequent cool weather gave forest service officials a breathing spell but did not eliminate the danger of fire in the forests entirely.

Furnaces and sweaters were in order as the temperature took a sudden drop to give the area a "typical" Fourth of July.

The forest service yesterday reported there were no fires anywhere in the district.

CRYSTAL BAY POST OFFICE SECOND CLASS

CRYSTAL BAY — Crystal Bay post office became a second class office July 1 it was announced last week.

Five Mishaps Mar Weekend Traffic In Truckee Region

Although traffic was at a record high during the period from Friday at 6 p. m. until midnight Tuesday, there were no fatal accidents reported in the Truckee district, the California Highway Patrol reported.

There were five injury accidents, with eight minor injuries and the officers issued 81 moving citations. Three of the accidents involved local people.

William H. Burns, 49, Alpine Riverside Hotel and Alfred Ormaz, 39, Olympic Hotel, were hospitalized after a car driven by the former was forced off the highway near the halfway bridge on Route 89 and crashed into the bank. This occurred at 1:45 p. m. Saturday.

Lyle H. Broyles, 20, Truckee was taken to the hospital at 8 a. m. Sunday after a car driven by Parley E. Fox, Jr., 19, also of Truckee crashed near Floriston.

Fox, who was cited for not having his vehicle under control, told officers he fell asleep and the car ran up an embankment and overturned.

James A. Peterson, 35, butcher at the Stop & Shop Market at Kings Beach was injured and taken to the hospital at 1 a. m. July 5 after his car was struck by one driven by Joe R. Hollender near Crystal Bay. Peterson was cited for backing his car onto the highway.

THREE SENTENCED TO JAIL FROM TRUCKEE

Three men were taken to the Nevada County jail last week to begin serving sentences for various traffic offenses imposed by Judge F. W. Wilson.

Mossie M. Palmer, 69, Zephyr Cove, was sentenced to five days and a fine of \$263 for a misdemeanor drunk driving count. If he does not pay the fine he will serve an additional 50 days.

James H. Rose, 39, Rio Linda, was sentenced to pay a fine of \$210 or spend 40 days in jail for driving with a revoked license.

John L. Sanders, 57, Long Beach, received a 10 day sentence for being intoxicated in and about an automobile.

ELEANOR DOMINGUEZ MARRIED IN CAPITAL

The marriage of Miss Eleanor Dominguez and William Howard, III, was revealed at a dinner party in their honor given by the bride's sister, Mrs. Howard Gilliam, 2248 Royale Rd. Sacramento.

Eleanor is the daughter of Mr. and Mrs. A. Dominguez, formerly of Truckee. She attended local schools before entering Stanford University Hospital where she completed studies in medical technology. William is the son of Mr. and Mrs. William Howard, Sr., of Bassett, Virginia. He attended College of Commerce in Bowling Green, Kentucky before serving with the U. S. Air Force. They have made their home in San Francisco.

BOAT VIOLATORS TO BE CITED AT TAHOE

AUBURN — Sheriff's deputies have been directed to cite violators of the California boating law on navigable waters in Placer County.

Sheriff William A. Scott said a regular patrol of the waters of Lake Tahoe, Lake Clementine and the camp Far West reservoir has begun by Deputy Sheriff Angelo Chiaratta and 12 reserve marine patrolmen.

The patrol will check boats for proper equipment and registration, and will cite boatmen for negligent or reckless operation.

The sheriff's office recently completed a period of education in boating safety, during which only courtesy citations were issued.

TWO BABIES ARRIVE AT LOCAL HOSPITAL

David Darro greeted his parents, Mr. and Mrs. Daryl De Walt of Tahoe City on his arrival at Tahoe Forest Hospital July 2. His first weight was 6 pounds, one ounce.

Also on July 2 Denita Jo daughter of Mr. and Mrs. Parley Fox of Truckee was born in the Tahoe Forest Hospital, her arrival weight was 7 pounds, 6 ounces.

Ancient Local Jail Back In Service As Repairs Are Made

The ancient Truckee jail, condemned several months ago by the state fire marshal's office as unsafe for housing prisoners, has been again put into service.

Alterations in the building which isolates the heating system from the only entrance, the installation of a sprinkler system and an alarm mounted on the front of the building have been completed.

During the past several months or since the building was condemned as a fire trap, prisoners have been taken to Nevada City for overnight repairs on the old structure are expected to be adequate until the new jail and county building designed for the near future are ready for occupancy.

Sergeant Roy Waters, in charge of the local sheriff's department, said only short term prisoners will be housed in the jail here, the others going to Nevada City.

Trailer Problem Is Hit By Sanitarian

Richard Walker, area sanitarian, reports that the trailer problem in the district is getting out of hand and has appealed to the Nevada County Planning Commission to take action.

Walker said there are numerous house trailers in the area which apparently are violating county ordinances and even state laws. He pointed out that permits from the planning commission are required but in some instances at least, no permission has been granted or requested.

Apparently, he said, some owners of trailers are not informed of the need for permits to park and are creating a nuisance.

Cecil Edmunds, chairman of the planning commission, advised Walker that he would take the matter up at the next meeting with an aim for correcting the situation.

SPEAKER TO ADDRESS JOINT CLUB MEETING

The Truckee Rotary Club and Lions Club will meet at Donner Lake Lodge at 7 p. m., Monday, July 10, for a joint dinner meeting, announced Ralph Rowton, president of the host Rotary Club, and President Sherman Reams of the Lions Club.

The program for the evening will be presented by Wendell Robie, president of the Auburn Lumber Company, who has recently returned from a month-long tour of Russia. Robie was one of 24 Californians selected to tour Russian forest industries and will present his impressions of Russia.

TAHOE CITY MINORS LEAD LITTLE LEAGUE

Scores for the major teams in the Tahoe Truckee Little League for the past week were not immediately available, Paul Doyle said, however, Tahoe City still leads in the minors with six wins and only one loss. Truckee trails by one with five wins and two losses but if they win against Tahoe City today the two teams will be tied. In Monday's game, Truckee defeated Donner Lake 17 to 3.

The minor standings show Kings Beach has won two and lost five while Donner Lake has won one and lost six.

USED CAR LOT TO BE STUDIED AT MEETING

The Nevada County Planning Commission has called a public hearing for July 10 at 7:30 p. m. in the supervisors' chambers at the court house concerning the application for a used car lot in Gateway Park Shopping Center.

The applicants are Paul R. Jamerson and Ed Irons who propose to establish the lot opposite the Z Market on the main street.

Opponents to the plan may voice their objections at the meeting, Cecil Edmunds, chairman of the commission said.

REBEKAH LODGE TO RECEIVE OFFICIAL

Naomi Rebekah Lodge No. 2 will meet July 12 at 8 p. m. when plans will be arranged for the official visit of District Deputy President Gladys Clemoe on July 26.

Noble Grand Goodie Mori will preside and refreshments will be served by Esther Russell and Elma Medford.

Preparations Are Complete For Big Regatta At Lake

By Virginia O' Bear

The west end of Donner Lake will be the scene for much excitement this coming weekend when the Donner Lake Volunteer Fire Department will again sponsor the Donner Lake Regatta. Thousands of people are expected from all over California, Nevada, Oregon and Washington to watch these thrilling little outboards race in the regional championship competition.

The racers will have try-outs Saturday to check out equipment operation in the high altitude. Between 4 and 7 p. m. the Auxiliary of the Donner Lake Volunteer Fire Department will sponsor an outdoor barbecue and the price is \$1.75 for adults and 75 cents for children. Expert chefs on hand to do the cooking will be Dick Walker, Tony St. Claire, Charles Kitts, Lyle (Red) Hubbard and some of the firemen.

At 9 p. m. at Donner Lake Lodge Saturday evening the firemen will sponsor a dance with an orchestra playing your favorite dance music. Dancing will be from 9 'til 2. Miss Donner Lake and her royal court will be at the barbecue and the dance and will officially open the exciting regatta at 10 a. m. sharp, Sunday.

Many champion record holders are appearing in this regatta with astounding performers such as Harry Bartolomei from San Leon.

OSBURN NAMED ON COUNTY GRAND JURY

Clarence E. Osburn, Truckee garage owner, has been selected as a member of the Nevada County Grand Jury.

The 19 jury members were sworn in last week after receiving instructions from Superior Judge Vernon Stoll. The new jury has two members, Manuel Cicogni and Fred C. Bruhns, who served with the outgoing grand jury since a new state law required that three to nine members be held over to serve on new juries.

Osburn is the only member from this end of the county.

PLACER FIREMEN TO HOLD TAHOE PARTY

TAHOE CITY — The Placer County Firemen's Association will hold their annual picnic at Tahoe City in September, the date to be decided later. At a meeting of the group June 20 topics of the evening included revision of resolution submitted by the Placer County Board of Supervisors regarding standardization of water mains and hydrants; incorporation papers; safety rules covering wearing apparel; the protection of the fire fighters and problems involving individual fire departments.

LIBRARY CLOSED

Mrs. Ileen Ridsen announced this week that during the vacation of the staff, the high school library will be closed from July 13 to August 1.

Felte President Of School Board As Meeting Is Held

At a special meeting of the governing board of the Tahoe Truckee Unified School District Saturday, the newly elected officers, Gordon Moyer, Paul Rivard and Max Williamson took their oath of office to start the new term.

Jack Felte of Kings Beach was unanimously elected president of the board for the coming year and Moyer was chosen as vice president.

Mrs. Hilda Hintz of Truckee was reelected clerk of the board.

It was voted to continue the regular meeting date on the second Tuesday of each month at 8 p. m.

Previous Meeting
At a meeting held earlier last month, the tentative budget for the coming year was discussed, a few changes made and given board approval.

It was decided to advance the charge for elementary school lunches from 25 cents to 30 cents.

Resignations were accepted from two teachers, Evelyn Ames, physical education teacher at the high school and Edward L. Morris, art instructor at the same school and Clinton Brines, mechanic. Three teachers, Mrs. Nancy Rodgers, Mrs. E. Maranel Thomas and Miss Rosalie Moniz, were employed. Mrs. Maisie Blair was employed as a clerk and Henry Black and Jesse Blair as custodians.

Man Held As Car Pushed Off Grade

Anthony E. Haggard, Sacramento, was being held under \$5,200 bail for trial in the superior court following an investigation of an "accident" on Donner grade February 18, this year. He is charged with destroying mortgaged property.

According to the California Highway Patrol, Haggard admitted pushing his 1960 Lloyd station wagon over the grade because he did not like it and because he owed more than he believed it was worth. At the time he told Patrolman Carroll Maynard that he was blinded by the lights of an oncoming vehicle, lost control and the car plunged off the highway.

The investigation was conducted by Officers Marshall Stone and Harry Starr of the auto theft and investigation detail from Sacramento.

A complaint was filed by District Attorney Harold Berliner and Haggard appeared before Judge F. W. Wilson in the local court last Thursday. He waived arraignment and was bound over for trial in superior court on a felony charge.

OFFICERS INSTALLED BY SOROPTIMIST CLUB

KINGS BEACH — Maggie Stollery, the new president of the Soroptimist Club was recently installed at an impressive ceremony in the Crystal Bay Club by Pearl Lyndell of Reno assisted by Helen Beaverson. Officers from Nevada who attended the affair included Elva Jones of Reno, Hildegard Rand and Mary Marker of Sparks.

Mrs. Beaverson inducted two new members, Bonnie Barnett and Barbara Bressler.

Miss Varian Frey and her mother, Mrs. Muriel Frey of Truckee were guests of the organization. Miss Frey was previously awarded the scholarship given by the members.

Jack Wolert and grandson John Dugan of Stockton arrived here this week for a summer visit.

Work On Museum Started Despite Chamber Protest

Despite protests by the Truckee Donner Chamber of Commerce that the site be changed, there is every indication the proposed new Emigrant Trail museum will be erected near the Donner Monument and not on the east shore of the lake.

Forms for the foundation are being built on the monument site, with a view of Donner Lake and the summit obscured.

Charles DeTurk, chief of the division of beaches and parks this week wired the chamber of commerce. In effect the message declines any change of location for the museum.

"Answer to your night letter of 28th. Full consideration given to lake site and two other possible sites for location of museum before site near monument was selected. Your interest is appreciated. We earnestly believe the monument site to be the most suitable location. Because of short construction season it is urgent that we proceed with work. Letter follows."

The chamber last week went on record as preferring a site near the lake shore as originally indicated in the prospectus published by the division of beach and parks.

Officials of the division, present at the meeting, pointed out that study had indicated the choice location would be near the monument to provide more use and income. (Continued on Page 8)

Golf Tournament Here On July 16th

The Shadow Valley Country Club met Monday evening primarily to make plans for the forthcoming home and home golf tournament on July 16 with Grass Valley.

Anyone wishing to participate in this tournament is asked to sign up at the clubhouse prior to July 10.

There will be a special meeting of the directors of the club at the home of President Charles Fink Monday evening.

The club voted a vote of thanks to everyone near and far who helped in any way to make the formal opening of the golf course and clubhouse such an outstanding success.

Plans are underway for a potluck dinner and dance at the clubhouse in the coming month for all members.

BAY AREA MAN HELD AFTER LOCAL ARREST

Two bay area youths were in the Nevada County detention facilities after being apprehended in Truckee last Friday night on a hold warrant from Contra Costa County.

Contributing to the delinquency of a minor charges have been filed against Thomas Michael Bacon, 21, of Orinda. His companion, a 16-year old girl, was listed as a Contra Costa County runaway. She is being held at the juvenile detention home.

No charges were filed against the girl.

PERSONNEL CHANGES ANNOUNCED BY TPUD

Reorganization of the personnel in the office of the Truckee Public Utility District was completed last week, Manager Francis Longo announced.

Mrs. Eve Hallett has been advanced to bookkeeper and acting clerk of the board of directors and replaces James L. Sampson, who has left to accept a position with Sierra Construction. Mrs. Mildred Johnson replaces Mrs. Hallett as billing clerk.

John Elliott has been employed as a warehouseman and meter reader, replacing Kenneth Smith, who resigned.

DONNER PARK BUSY DURING 4TH HOLIDAY

Donner Memorial State Park is becoming increasingly popular both for campers and picnickers.

Jack Stowe, park superintendent, said that 200 cars desiring weekend camp sites at the park were turned away Friday and Saturday because of shortage of camping facilities with more than 100 campsites filled.

Stowe said a total of 4,420 people used the park Saturday and Sunday, all the camps as well as the 38 picnic sites being filled.

Jail Sentence

Ivory B. Huff, 54, Pasadena resident, began to serve a 15-day sentence in the Nevada County jail last Thursday. He was found guilty in Truckee Judicial District Court on charges of being drunk on a county highway and subsequently was referred to the Nevada County Hospital, Nevada City.

dro with his B Racing Runabout. Harry's motor is the popular Mercury Champion, Konig or Anzani, approximately 36 horsepower, as a full racing engine. The five mile competition record is 53.635, and the 1 mile straightaway record is 67.809 MPH. Regional champion, western divisional champion and Northern California Outboard Association hi-point holder, all of these titles belong to Harry Bar-tolomei.

The F Racing Runabout is the most spectacular of all outboard racing, using the largest of all outboard motors. This class features the 80 hp, four cylinder, 60 cubic inch motor, with a minimum overall weight of 725 pounds. This includes the driver, mechanic (sometimes called deck rider to help balance the boat around turns) the hull and motor. Five mile competition in this class is 59.960 miles per hour; the one mile straightaway record is 71.244 miles per hour, both held by Northern California Outboard Association's commodore, Chuck Parsons. Al Brooks, Jr. of Stockton, is regional champion, western divisional champion and the association's hi-point holder. Brooks captured the Donner Lake perpetual trophy in 1958, losing it in 1959 to Don Biago, won it again in 1960 and must win this Donner race this weekend to keep it, as a perpetual trophy has to be won two years in succession.

Girl Racer
Another exciting entry is the B

Hydro and one of the outstanding drivers is 19 year old Janet Her-rick, from Del Paso Heights. She is western divisional champion and Northern California Outboard Association's hi-point holder. Regional champion in this class is John Alden of Oakland. This should prove to be a very exciting class with so many title holders competing with their limited weight of 365 pounds, this includes motor, driver and boat.

There are 11 classes of racing outboards with 135 racers participating in the regatta. This is the fourth year for the Donner Firemen to sponsor the regatta. It is the third time in 12 years to have regional championship racing at Donner. The racers have been coming to Donner Lake for 12 years and each year becomes more exciting and the crowds are larger. The racers like Donner because of the high altitude which is a challenge to them.

The method of conducting an outboard race and the scoring, etc. are as follows:

Race Methods

Three minutes before the start of a heat of racing, a 3 minute warning gun is fired and a red flag displayed warning the drivers they have 3 minutes in which to get ready.

Sixty seconds before the start a one minute gun is fired, a white flag is displayed and a large 8 foot clock facing the race course is set in motion. The clock informs the drivers the number of seconds they have left until the start of the race.

The official start is the exact instant the hand of the starting clock indicates the final minute has elapsed, and at this moment the starter drops the white flag to indicate the race has officially started. If more than half of the field jumps the gun, a red flag is waved instead of the white flag to indicate a re-start, and the boat which led the pack across the starting line will be disqualified. The one minute procedure is repeated and any boats over the starting line ahead of the second official start will be disqualified.

A race consists of two heats of racing for each of the 11 classes, five laps per heat.

The scoring points are decided by a point system. The driver receiving the highest points for both heats is the winner. Four hundred points are allowed for first place, 300 hundred for second place, 225 for third, 169 for fourth and 127 for fifth.

At the conclusion of the racing, the trophy presentation will be made at the beach immediately with the help of Miss Donner Lake,

COMMUNITY SERVICE AWARD TO AUXILIARY

KINGS BEACH — Pearl Moore, community service chairman for V. F. W. Ladies Auxiliary No. 7077 Lake Tahoe, stated the group received a fourth place community service award at the 27th annual Department of Nevada convention held in Yerington, Nevada, for activities for the year of 1960.

Nineteen posts and auxiliaries throughout the state entered in the contest. Reports are submitted each month by the auxiliary on projects and activities. Proof of projects and activities such as newspaper articles, letters, etc. are compiled in a scrapbook which is submitted in March to the board of judges.

Congratulations were extended by Department of Nevada Chairman Virginia Giannotti to all of the Lake Tahoe Auxiliary members and to Past President Pearl Martin for a job well done.

BUSINESS ACTIVITIES SHOW GAIN IN STATE

"Business activity has turned now and is moving up," Bank of America President S. Clark Beise said in releasing the bank's statement of condition for June 30, 1961.

"Our mid-year surveys indicate the economy as a whole is gaining momentum; this forecasts increasing demand for all types of credit," Beise said as he reported the bank's:

Total resources of \$11,796,997, 240 were \$569,343,976 more than a year ago; total deposits increased \$528,812,738 to \$10,624,271,917 during the past year; total loans outstanding of \$6,510,587,646 were \$151,496,967 lower than 12 months ago.

The bank's investments in securities total \$2,924,772,429, a gain of \$637,487,317 over a year ago.

Net operating earnings for the first six months of 1961 of \$41,969,181, or \$1.64 per share on the 25,600,000 shares outstanding compare with \$44,620,360, or \$1.74 per share, during the same period in 1960.

and ask for ZEnith 1-2000, the patrol's statewide emergency number," he said.

"If you desire information, any patrolman will be glad to assist you, or you may call the patrol's business number listed in the telephone book.

"Persons driving near any CHP office during business hours are welcome to stop if they need information or assistance," the lieutenant said.

RICHARD HINKLE OF TAHOE IS HONORED

FORT BENNING, Georgia—Captain Richard G. Hinkle of Tahoe City recently received a letter of commendation as the result of his suggestion to the department of the army that an establishment of a work reference library be established in the unit. The letter was presented by Col. Robin G. Montgomery, commander of the U. S. Army advanced marksmanship unit. Captain Hinkle is assigned to the advanced marksmanship unit at Fort Benning, Georgia, where he is a member of the rifle team.

ANNUAL BARBECUE SET FOR DUTCH FLAT

Sharon Sommers of Auburn will direct the aquacade to be held in conjunction with the annual barbecue in Dutch Flat, July 15.

The affair is held annually as a benefit for the Dutch Flat swimming pool. Barbecue revenue and donations by residents are the only funds available for the operation of the pool, which was built by residents for their use, and for which no charge is made.

Sheriff William A. Scott will M.C. the aquacade, for which aquabellies are already in rehearsal, the spectacle pool directors state, will be bigger than ever this year.

Both the barbecue and aquacade will be held at the Dutch Flat pool site, located in a grove of pines at the upper end of Dutch Flat.

DO NOT
SCRAMBLE

At the breakfast table, scrambled eggs can really hit the spot. Scrambled financial affairs, though, are something else again. That's why it is usually best to make a sharp distinction between money you invest and money you want to save—the money you want to have immediately available under all circumstances. Put your investments wherever you think they will earn the best return. But keep your savings where you know they will always be accessible—in the bank.

DONNER DOINGS

By VIRGINIA O'BEAR

The Donner Lake Property Owners Association held a meeting Sunday afternoon at 1 p. m. Many property owners were on hand for the committee reports and much progress is being made to improve the property owners beach. Elections were held for the fiscal year and the new officers are as follows: Carl Purdy, president; William E. von Tegen, first vice president; Jack Logan, second vice president; Ruth Kemp, secretary;

George Stetson, treasurer. A committee was formed to check into having Donner Lake patrolled but members were told to contact the local sheriff department when there are violations of the law.

Since many of the residents in this part of Nevada County are unable to see all of the participants in the Maid of Nevada County contest, Mr. Bob Johnston publicity chairman of the contest is planning to bring all of the pretty maids from Grass Valley and Nevada City to our Donner Lake Regatta and meet with our three maids who have entered. Sometime during the day in between racing heats, the girls will be introduced to the huge crowd. Our three candidates

are Sandra Van Sickle, Clarita Richards and Terry Beck. After the introduction, Johnston plans on having all of the participants at Observation point overlooking Donner Lake and the regatta, for pictures to be sent to all of the newspapers.

The Donner Lake Regatta will be held this coming weekend, come rain or shine. A barbecue from 4 to 7 p. m. will be held at the beach and if necessary, canvas will be used if there is rain. Many hope that sunny skies will be overhead and that the evening will be nice for dancing at Donner Lake Lodge as the firemen are sponsoring a dance from 9 'til ? The races will be held Sunday starting at 10 a. m. regardless.

Mr. and Mrs. Milan Wight are here for the rest of the summer with their children, Norman, John and Christine. Mr. Wight is teaching summer school at Truckee Elementary and is a full time teacher in Concord.

Al Brooks, Jr. along with his wife and two children, will vacation at Donner Lake starting July 5th, for a week. Al is here for the Donner Lake Regatta from Stockton and is the famous F Runabout racer trying for the Donner

ACCIDENT ANDY

CAUTION URGED TO AVOID HITTING DEER

It is that time of year when the road kill of deer starts mounting to its peak, department of fish and game spokesmen noted and warned motorists to be especially careful in deer areas, where the migration of the animals to the high country has begun. In the interest of conservation and for the safety of travelers, special caution should be observed from now through November, when the road kill last year reached its peak.

Hitting a deer at high speed can result in death and serious injury for not only the deer but for those in the car. A badly damaged automobile is about the least that can be expected.

Last year 5,118 deer were reported killed on California's highways. This does not take into account animals which were hit on the road and wandered off into the wilderness to die of injuries.

In 1960 the largest number of animals perished in the month of November, 743. The increase was almost steady, month by month, starting in June, with 475 dead. February of 1960 had the lowest total, 166.

Deer are not the only wildlife casualties on California's highways. Bear, elk and antelope are also on the list, along with countless thousands of rabbits, pheasants and other small game species.

Department personnel say most animals are hit at night when headlights blind them and they become confused in their attempts to get out of the way. Drivers should watch for reflections from the animals' eyes and slow down when they see such reflections, which are visible for several hundred feet.

STRIKES & SPARES

BY JOE WILMAN
AVOID MISTAKES
WITH
CONCENTRATION

If you make your first step a bit too long, you can correct it either by adjusting your arm swing or by stopping completely and starting all over again.

But if that mistake comes as you bring the ball forward to deliver it, chances are you won't be able to adjust. You can't stop at that point, and it may be too late to make any other adjustment.

What's the answer? Concentration. You can't forget about details once you get your footwork under way. And you must be concerned with your arm swing all the way through the follow-through. You can't afford to ease up or let down at any point.

Concentration should begin when you take your stance as I show in the illustration. I'm thinking only of the upcoming shot and where I want to release the ball. This concentration should continue throughout your approach, delivery and follow-through. After the ball has hit the pins and you have checked your finishing position, you can relax. But during those few seconds, keep your mind on your bowling.

Ground breaking ceremonies for the Tahoe Informational Monument by the Rotary Club of North Lake Tahoe were held at 4 p. m. Saturday, June 24. This was the annual project for 1960-61—Don C. Barkhurst, president.

The U. S. Bureau of Public Roads and the Nevada State Highway Department examined the blueprint and the Rotary Club capabilities for the project and issued the permit to the Rotary Club of North Lake Tahoe for the construction of the monument at the observation point on Mt. Rose. It will become the property of the State of Nevada and will be maintained by them. Majority of the work will be done by the Rotary membership.

Special recognition was given to the designer Hal Pennock of Reno for his work with the committee in laying the ground work for the project. Also to the bureau of roads and the State of Nevada Highway Department for their speedy wonderful cooperation.

Judge Frank B. Gregor, past district governor of Rotary District 519, gave the opening remarks. Presentation of permit for construction to Don Barkhurst was made by Jack Parvin, district engineer, division No. 2, State of Nevada Department of Highways.

Ground breaking by Don Barkhurst with assistance of project committee members. Paul Mullis, chairman; E. J. Stokes, finance; William Martin, Steve Korich, Gordon Bitler, construction; Perc Waters, location survey; Wiley Jones, secretary and publicity, made up the Rotary committee. Closing remarks were made by George Cannon, special representative of Linne E. "Nels" Nelson and president of South Lake Tahoe Rotary Club.

Those attending the ceremonies adjourned to the Crystal Bay Club for refreshments. Dedication and acceptance of the monument will be held upon completion to which all Rotarians and State of Nevada Highway Department personnel and friends are invited, date to be announced.

Crystal Bay Fire Protection District proved its worth Sunday when the department and Fire Chief Doug Ingram responded to a rescue call at San Harbor State Park, Nevada. Seventeen year old Darlene Giovacchini of Carson City was swimming when seized by cramps. Although in three feet of water, Darlene panicked and had to be rescued from drowning by persons unidentified. The rescue squad of the fire department arrived with resuscitator and after administering oxygen, the girl was quickly revived.

Should any other emergency occur—phone the local fire departments and help will shortly be on the way.

Mr. and Mrs. M. H. Dodd of Carlinville Bay entertained Mr. and Mrs. Fred Maulding of North Hollywood as houseguests several days.

MUSIC CAMP ROSTER
AT LAKE IS OVER 300

Registration for the University of Nevada's fifth annual Lake Tahoe Music Camp has passed the 300 mark, according to Dr. John Carrico, camp director.

Students and directors from 15 states have enrolled, breaking the record-high total of 240 who participated in the 1960 session. The expected goal of 400 students and directors is now within reach, according to Carrico, since enrollment has just begun for the "New Music Workshop" and the "Casavant Precision Drill Workshop."

"New Music Workshop" for band, choral and orchestra directors is scheduled for August 11-12 with one semester hour credit available.

August 7-12 are dates for the A. R. Casavant precision drill workshop which is designed for band directors, drill team instructors, and drum corps leaders. The noted precision authority of Chattanooga, Tennessee, will conduct the intensive course of instruction with credit also available.

Contributing to the new high in enrollment in the camp are an expanded staff and additional offerings in band, choir, strings, piano, woodwinds and baton instruction.

A noted quintet of woodwind artists has been added for the 1961 session as the "National Woodwind Workshop" division of the camp. Headed by Julius Baker, flutist of New York City, and other artists, the quintet will instruct as well as perform in recitals August 14

last week. Mr. Maulding is national commander of the American Balloon Corps Veterans. Eleven thousand were originally in this World War I group, with 800 in it now, 41 attended the Bed 8, San Francisco Division convention at Sparks last week. Mr. Dodd was also speaker at the meeting and gave a talk on Lake Tahoe.

and 16 at the camp.

In addition, scholarships by firms, unions, and other organizations have helped swell the enrollment. New scholarship donors include W. T. Armstrong Company, Elkhart, Indiana; C. G. Conn, Elkhart, Indiana; William R. Lym Oboes, Los Angeles; and American Federation of Musicians, locals 368 and 369 of Reno and Las Vegas, respectively, who gave four full scholarships each.

NOTICE OF FINAL HEARING
ON 1961-62 BUDGET

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will meet on Monday, July 17th, 1961 at the hour of 10:00 a.m. in the chambers of said Board in the Court House in Nevada City, California, for the purpose of considering the Final Budget for the County of Nevada for the fiscal year 1961-62.

Copies of the Preliminary Budget are available to the Taxpayers requesting them, in the County Auditor's Office, Court House, Nevada City, California. Any taxpayer desiring to appear before said Board of Supervisors can be heard regarding the increase, decrease, or omission of any item of the Budget, or for the inclusion of additional items, is invited to do so before final approval is ordered, which said final approval must be given, according to law, on or before August 31st, 1961.

SAFEWAY You'll Know it's from SAFEWAY! CHUCK ROAST

FOR SEVERAL REASONS

1. At Safeway, all Beef is USDA Choice grade, the quality that gives you the most in tenderness, juiciness and flavor. This grading is done by the United States Department of Agriculture experts who judge the meat strictly and impartially.
2. Price alone never determines a good meat buy. In addition to quality, you have to consider the actual amount of meat you get for your money. Safeway's "close-in" method removes excess waste and fat before the meat is placed on the scales to determine price.
3. Even the finest quality meats reach peak flavor and tenderness only after proper aging. In our vast air-conditioned aging rooms, Safeway meats are held under controlled temperatures the exact number of days required to insure perfect tenderness and flavor.

AFFAIRS OF STATE

Henry C. MacArthur

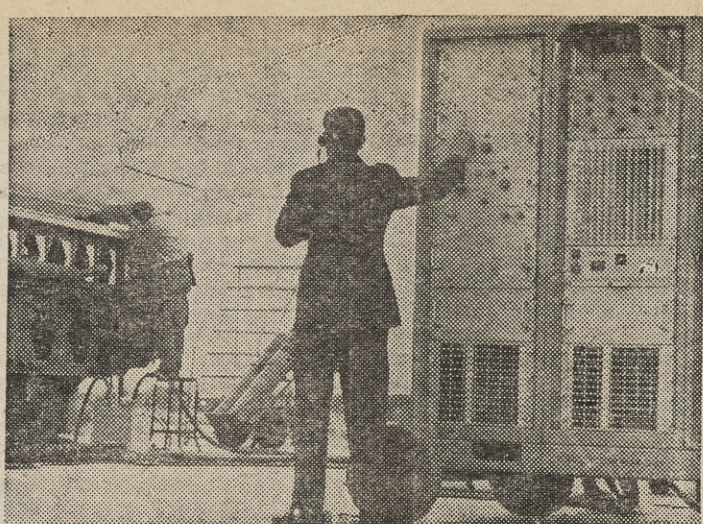

SACRAMENTO—(CNS) — There still are a lot of questions that need answering in connection with the awarding of a bid by Pacific Tire and Rubber Company for nearly a million dollars to supply tires to the state of California for the fiscal year 1961-62.

The award was made by direction of John E. Carr, former state director of finance, on grounds that operations of the concern would be curtailed and an economic loss would be caused in the Oakland area if the plant lost the state contract, which it has had for some 13 years.

Also, the award was made despite the fact that Mohawk Tire Company, located in Stockton, offered a bid approximately \$10,000 below that of Pacific. The award was legalized by invoking the California manufactured preference clause in state law which allows a five per cent differential in bidding for products made in this state.

Pacific, in protests to the department of finance and to Governor Edmund G. Brown, claimed state business was responsible for approximately 41 per cent of its output in Oakland.

The question is, whether the gov-

TURNOUTS PROVIDE MOTORING FEATURE

Vacationers traveling California highways will find "turnouts" on two-lane highways particularly advantageous if they make proper use of this highway feature, California Highway Patrol Commissioner Bradford M. Crittenden pointed out.

"Turnouts have been provided on many two-lane highways where terrain and traffic conditions warrant. The law provides that any motorist who is being followed by five or more vehicles shall turn off the main road at any of these locations to permit traffic behind to pass," he said.

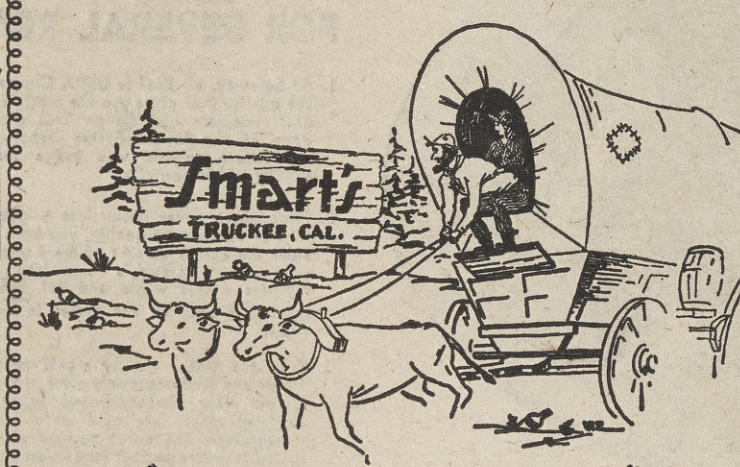

Turnouts can be located by identifying signs ¼ mile ahead of each turnout, and at the turnout location itself.

"If you are behind a slow moving vehicle on a two-lane highway, you will appreciate it if the driver holding up traffic pulls off to let you by. It works the other way, too. If you happen to be the slow moving vehicle behind which five or more vehicles have lined up, pull off to give the other fellow a chance to get by," he said.

A slow moving vehicle is one proceeding at less than the normal

flow of traffic at that particular time and place.

"Turnouts were not only created as a convenience for motorists. They also are a positive safety factor, since they reduce the chance of head-on collisions caused by impatient motorists who pull

error and Carr were hood-winked, due to the fact that Pacific reportedly manufactures more than 25 additional brands of tires. B. R. Cheyney, state purchasing agent, was advised of this fact after the award was made, by a representative of Mohawk Tire Company.

Another question is whether the specifications have been rigged so that no other tire company could get the million dollar contract. Pacific has had it for some 13 years.

Cheyney says no rigging occurred during his administration of the state purchasing office. However, when the Mohawk representative asked to see the original specifications, he was informed that records over five years old have been destroyed, and that the original specifications do not exist at the present time.

Also, major tire companies have for many years bid on the state contract. But their bids have been rejected as "incomplete." The question then, is why major tire manufacturing concerns, if they want the state business, have not been alert enough to submit bids they felt might have a chance of being considered. It was pointed out a firm might submit an incomplete bid the first time it bid, but if it wanted the business bad enough, certainly could correct its errors in subsequent bids.

The question of possible collusion among tire companies is no doubt one which Attorney General Stanley Mosk will look into when he seeks to determine if there is evidence of a "tire trust" by virtue of similar prices quoted to all states in the union on an industry "yellow sheet."

The really important question to California taxpayers, however, is whether the state will continue to invoke a little used section of the law which permits the five per cent preference for California manufactured products, especially when all the products involved are not manufactured in California.

The fact the clause is seldom invoked is sufficient to point out it does not serve the interests of the taxpaying public.

Tahoe City

One hundred and thirty-two youngsters participated in the very successful "learn-to-swim" program conducted for two weeks in the Tahoe City area, according to volunteers Mabel Nielsen, Maggie Stollery, Marie Henry and Eunice Henriksen. The program was made possible by the efforts of the American Red Cross, the management of the Royal T Motel, the Town and Country Lodge, the Lake of the Sky Motel and the Travelodge Motel and more than 50 volunteer workers who gave a great deal of their time.

Forty-four participants earned merit certificates.

Swimmers earning swimming certificates are Roger Michener, Bill Ott, Jerry Jorgensen, Dick Nielsen, Ricky Marks, Ken Silva, Rosemary Wray and Jill Lyons. Those passing the intermediate swimming requirements are Breezy Cross, Tom Easterly, Tom Joff, Cathy Barrett, Mike Cannon, Tom Ore, Carl Rukhala, Dennis Scopville, Barbara Nielsen, Tom Hepper and Darinda Stark. Advanced beginner cards were attained by Mike Keechler, Bonnie English, Janet Jorgensen, Benny Keechler, Ernie Marier, Kristin Meixner and Ann Starratt. Those earning beginner's certificates were Yvonne Baker, Chuck Bacon, Heidi Henriksen, Rickie Holley, Richard Burchett, Bernice Ahrens, Sally Starratt, Jim Phelan, Camille Shirley, Karla Meixner, John Mathew.

son, Stephen Rodgers, Glenna Hepper, Rodney Hill, Jackie Jones, Gary Phillips, Eric Henriksen and Warren Moyer.

Among the many local people extending courtesies to the swimming group were Bill Connors, Bill Ransome, Basil Keogh, Tahoe State Park, Jack Starratt, Jack Dunne and Dinty Moore.

Residents on Lakeview Drive in Tahoe City observed their annual neighborhood party last Tuesday night at the home of Mr. and Mrs. Dick Carnell. The party was in the form of a potluck dinner and was combined with a stork shower for Mrs. Bob Stark.

Among those enjoying the festivities were Barbara and Martin Spitsen, Joan and Dick Lambert, Albert and Bob Stark, Joan and Jack Emerson, Pat and Pete Vanni, Shirley and Dave Keeler, Robby and Dinty Moore, Arlene and George Luffy, Nancy and Darryl Stark, Mary and Harold Stark, Ray and May Stark, Ron Luffy, Bill Luffy, Don Lambert, Sally Pyle, Alice Gebhart, Meta Renner, Betty Renner and Anne and Jim Martin.

Mr. and Mrs. Dave Donaldson of Tahoe City spent last weekend in Susanville where Mrs. Donaldson attended her 20th class reunion.

Spending several days in the bay area this week are the Harold Farris of Tahoe City.

More than 70 Girl Scouts and Brownies enjoyed last week at a day camp held at Camp Noel Porter near Tahoe City. The Scouts participated in many activities, including hiking, archery, cook-outs, nature walks, crafts, music and hiking. The older Scouts took part in an "over-night" with leaders Virginia Duttweiler, Gladys McClanahan, Nancy Tomlinson and Ivy Kimball participating.

The Lake Tahoe Ski Club combined a business meeting with a social evening last Wednesday night at a potluck dinner held at the George Caulkett residence on Dollar Point.

Members of the executive board attending included Messrs. and Mesdames Herb Kahn, Ray Fellows, John LeGras, Larry Lindsey, Pete Heuga, Tim Sullivan, Wayne Poulsen, Dinty Moore, Pete Klausen, Don Synder, Dave McBride, George

YOUTHS ARE FINED IN TAHOE DISTURBANCE

TAHOE CITY — Rodney Blaine Kragness, 18, of Cottage Grove, Oregon, was fined \$52.50 for possession of beer, given a 30 day suspended jail sentence and placed on probation for six months for his part in a teenage beer party on the beach near Lake Forest.

Francis Varney Lewis, 18, of Tahoe City, and Philip Roy Stevens, 18, of Vacaville, Solano County, each were fined \$26.25 for the same offense.

Deputies at the Placer County sheriff's sub station said about a dozen youths were involved in the noisy weekend affair. Officers said they found 71 cans of beer at the site of the party.

Judge Robert Fugazi of the Tahoe Judicial District Court said he meted out a stronger sentence to Kragness because he was abusive to officers and had a record of a previous offense in Oregon.

Caulkett and Mrs. Jay Shontz.

Kai Smith and Kristin Meixner have returned to their Lake Forest homes after spending several days in Auburn visiting Kai's grandfather, Judge E. Erskine.

Johnny Spitsen, son of Mr. and Mrs. Les Spitsen of Tahoe City, suffered several broken foot bones when injured in a fall near his home Monday afternoon.

Lyle Morris, accompanied by daughter Marta, spent several days this week in Concord on a business trip.

From leg cast to arm cast is the fate of Mrs. Theodora Phillips of Pineland who last week broke her arm while participating in a "friendly" family ball game. The date had just recovered from a broken leg suffered last winter in a skiing mishap.

Celebrating her 17th birthday with a family celebration last Sunday was Pat Hopkins, daughter of Mr. and Mrs. Harvey Hopkins of the Highlands.

Shirley Grattner, daughter of Mr. and Mrs. Ray Grattner of Tahoma, celebrated her birthday Wednesday while staying at the Girl Scout camp, Camp Wasiu, near Meeks Bay.

NOTICE OF HEARING ON PETITION FOR ANNEXATION OF TERRITORY TO TAHOE CITY FIRE PROTECTION DISTRICT

NOTICE IS HEREBY GIVEN: That on the 13th day of May, 1961, there was filed with the Board of Fire Commissioners of Tahoe City Fire Protection District a Petition to annex territory to said Fire Protection District, pursuant to and in conformity with the provisions of Section 14.211 and following of the Health and Safety Code of the State of California;

That the names of the persons signing said Petition, there being 54 signers thereto, are as follows:

Morning Services: 11 a. m.
Evening services will be held the third Wednesday of the month during July, August and September only.

Genuine appreciation of the sacrifice and triumph of Christ Jesus must be expressed in daily living. This is a theme of the Lesson-Sermon on "Sacrament" to be presented at the semi-annual communion service in Christian Science churches Sunday.

Paul's charge to Timothy, "Watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry" (II Tim. 4), will be included in the Bible readings.

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done" (p. 4).

WORK ON MUSEUM

(Continued from Page 1)
formation for the park visitors since all the interpretative material will be situated in that immediate area.

Chamber Manager N. F. Dolley last week conferred at some length with Assemblyman Paul J. Lunardi at Sacramento and was advised that while the \$200,000 appropriated for the museum was secure, at least until 1963, there would be opposition by the department of finance to any increase in the appropriation to provide the same type of building on the site desired at the lake shore.

Lunardi said that he was anxious to work for the best interests of the community, but felt that if a museum is desired then work should be permitted to continue as there is some doubt that it can be done at some future date without considerable more groundwork and planning, and that there would be a possibility that the plans might be abandoned.

Chamber members who attended the meeting last week heard arguments pro and con on locations but voted to prefer the site closer to the lake providing the money would not be in jeopardy.

It would cost at least an additional \$40,000 to provide the same type of building on the lake shore, park officials declared. There would be the necessity of installing roads, utilities and a heavier foundation, they declared.

They also declared that a study of the park use had indicated that the majority of visitors were attracted to the monument and other nearby historical items but that only a few went to the lake to view the beauties offered from that location.

CARD OF THANKS

Mrs. Milla Johnson and Mrs. Liz Carrol would like to extend their thanks and appreciation to all of the people who gave so generously to our Assumption Guild rummage sale. Thanks to the cooperation of these workers and contributors our sale was termed a fine success.

Summit Freeway May Open By 1963

District Highway Engineer Alan Hart has said that the most optimistic prediction for the opening of the new freeway over Donner Summit is the fall of 1963 and construction will likely continue into 1964.

"I think we can guarantee that you will be riding on the new highway by the fall of 1964," Hart declared.

At the present time, according to Resident Engineer L. R. Hawkes, grading on the seven mile project from Donner Lake to the summit is 25 per cent complete.

How much more will be completed by the end of this year depends to a large extent on the weather. The contract allows 250 working days, and 76 of those had been used as of June 30.

The project is one of the most difficult and expensive pieces of construction ever undertaken by the state division of highways. The cost is estimated at \$3 million a mile, about three times as much as a highway of similar standards would cost in the Sacramento valley.

The magnitude of the job is indicated by the fact 2.75 million cubic yards of earth and rock remains to be moved. Much of this material is being blasted out of solid granite and is being hauled into place by huge trucks at the rate of 8,000 to 12,000 yards a day.

The freeway will cross the summit about two miles north of Donner Pass at an elevation of 7,225 feet.

PLACER ASSESSMENT SHOWS HUGE GAIN

AUBURN—Placer County assessment rolls for the year 1961-62 showed an increase in excess of \$13 million dollars.

Assessor Lloyd Geraldson notified the board of supervisors of this, explaining the assessment rolls total \$93,465,895 compared to \$80,355,440 last year.

Land, improvements and personal property on the rolls totaled \$87,251,945 and unsecured personal property totaled \$6,213,950.

NEED FOR HIGHWAY

(Continued from Page 1)
unless facilities are provided, and there no doubt is some merit to this under present circumstances, as the park constitutes a fire hazard, so much so that the staff is required to be on the grounds 24 hours a day five days a week. This results from the state park commission's policy of leaving the area in its "natural state," rather than cleaning it up and making it available for use of the public.

Need Road

Another instance in which the state is lagging is the construction of adequate and proper highways on the west shore of the lake. While the state highway commission as the result of legislation can now go ahead with improvements, including a bridge across Emerald Bay, there are no signs in the area that the commission is doing anything to improve the dangerous, curving, slide threatened road. Arguments have gone on for years concerning the location of the proposed new road.

In another area, eventually the state plans a freeway south of the south shore of Lake Tahoe. This is badly needed now, as motorists in some instances took more than an hour to get into parking lots at Stateline. The traffic is too heavy for the road most of the summer season, let alone a Fourth of July weekend.

It is predicted the state will have 20 million people by 1970. It now has 15.5 million and is unable to take care of them with modern highways and modern camping facilities.

State Doing Its Best

Despite the fact there was a hue and cry for four-laning U. S. 40 prior to the 1960 Winter Olympics at Squaw Valley, long sections still are slow and miserable two-lane roads. However, it appears the state is doing the best it can, both on U. S. 40 and U. S. 50, as improvement work is proceeding at a more or less rapid rate.

Lake Tahoe stands out as "the" place to go, vacationwise. Because of this fact, it would appear up to the state to extend its efforts to make travel easy and facilities available.

FLIGHTS TO TAHOE ANNOUNCED BY FIRM

CRYSTAL BAY — It was announced this week that conventions, sales meetings and other organized groups from southern California will be brought to north Lake Tahoe by air, according to H. E. McCoskey, owner and secretary treasurer of the Crystal Bay Club, following a series of meetings with Fred Schultz, Blatz Airline, Inc. and Lucky Seven tours of San Francisco.

The new venture, Tahoe Tours of southern California is an affiliate of the firms previously named and McCoskey said that the flight schedule will begin in mid July via Reno airport pending completion of the nearby Truckee Tahoe Airport, groups to arrive at Crystal Bay via Mt. Rose and special buses.

SPEED LIMIT CUT IN PINELAND DISTRICT

A speed limit of 45-miles per hour has been established on a 3.2-mile section of State Sign Route 89 in Placer County on the west shore of Lake Tahoe, from Home-wood north to near Ward Creek in the Pineland area.

State highway officials at the Marysville district office said that enforcement of the new reduced speed zone will become effective with the installation of signs during the second week of July, probably the 11th or 12th.

The reduction from 65-mph was ordered after traffic engineering surveys indicated that the limitation was warranted for the safe, orderly movement of vehicles through the resort area.

STATE STARTS YEAR WITH HUGE BUDGET

SACRAMENTO — (CNS) — This is New Year's week, in a fiscal way, as the state government moves into a new fiscal year and into a new \$2,599,533,019 budget.

The biggest change taking place in state government on the occasion of July 1 is the transfer of functions of the division of state colleges, department of education, to the new board of trustees for state colleges. The board was created and given control of the colleges in 1960 but the official switchover was set for July 1.
